WORKSHOP

Research Fellowships 2020 in Life Sciences

Wed 16 Oct 2019 09:00–10:30 am

Seminar room 007, Institute of Plant Molecular Biology
Tomas Mozga & Barbora Okosy & Marie Pagunadisová

International mobility is a fundamental part of research career. If you are **students, PhD students or postdocs**, you have many opportunities to apply for. You just need to know your options and plan in time. Planning and timing is everything! You can move forward or kill your career. Join the workshop and develop your research career.

Book your seat via e-mail to expats@bc.cas.cz
by **Fri 11 Oct 2019**.
